

KINDERGARTEN ACCELERATION

State policy provides that “a District shall develop procedures for kindergarten acceleration that are approved by the Board.” Students residing within Magnolia ISD will be provided an opportunity for acceleration from Kindergarten to First Grade when the following conditions have been met:

1. The student is five years of age on September 1.
2. The student successfully completes 90% or more of the items on a kindergarten screening instrument.
3. The student’s physical development and social maturity are consistent with an advanced mental ability.
4. The student has been recommended by the kindergarten or preschool that the student has attended.
5. Parent/guardian gives written approval for the acceleration.

Parents must contact the school counselor by June 1 to register for the test. Test will then be ordered and administered during the last week of July.
